Please Help Our Children

A Classical Music Fundraiser

Can you imagine what the world would be like if Mozart or Beethoven did not have good instruments to use when creating the masterpieces we know and love today? This fundraiser was created in order to help our local schools with this same situation. Our children deserve better.

Fundraising Campaign - Schools In Need

I created a unique logo design for “Schools In Need” and based the rest of the design from it. I included a blue color tone to a few design elements to add a bit more visual interest to the piece in order to attract attention in a subtle way.
