

## UNDERGROUND FAUV EXHIBIT

Experience Fauvism like never before

July 12 - 28

Austin's Museum of Modern Art

### Photography - "Fauvism Tree"

For this design, I digitally altered a photograph of a tree to appear more like the Fauvism style paintings that can be found in museums. I applied the finished product onto a poster which advertises a special "Underground Fauv" exhibit at a local museum. I used colors from the photo for the background and title text colors.
